## 王启峰老师的儿童水彩画和彩铅画班

评语：Lauren的画颜色好像经过了柔化处理，色彩渐变柔和，立体感不错，水太柔和，感觉大象踩着一团云。

Comment: The color of Lauren's painting seems to be subdued with the color gradient being very soft. The three-dimensional impression is good, and the water is hazy, so it feels like the elephant is stepping on a cloud.

评语：Tiffany Zhu 画的非常好，颜色、深浅变化都基本到位，大象绘制的很有体积感，水和石头的色彩关系也很好！

Comment: Tiffany Zhu paints very well; the colors and shades are very vibrant, the elephant is very full, and the color dynamic between the water and stones is also very good!

评语：Sheng 画的很完整，画中每个要素的造型、颜色基本到位，已经很不错。

Comment: Sheng's painting is very complete as the shape and color of each element in the painting is very defined, which is great.
